stocked in the store because SPU (J) does not have high tech storage facilities in which regulation of temperature and humidity inside the storage can be maintained.

Keeping in view the deteriorating condition of the left over stocks of Kharif 2017, Rabi 2017-18 as per the details given in the Annexure I & II. The committee is of view that the quantity needs to be disposed off immediately without any further delay as live insect will further create Physical losses in the stocks itself & there is 100% chance of infestation of New arrivals from this old stock & May cause huge loss to Government Exchequer.

Further the losses if any, occurred on this account should be ascertained by a committee in whose presence auctioned stocks shall be lifted by the successful bidders. The disposal may be done immediately on "As is where is Basis" to realize the appropriate revenue to Govt. by the way of open bid auction after adhering to all codal formalities. The Accounts Officer, Directorate of Agriculture Jammu may be requested to give wider Publicity of Auction notice through Daily newspapers & through departmental website.
